Pastor John

Can you hear the Spirit of God when the wind whispers? When it blusters? What sort of wind do you need for God to gain your attention? In order to comprehend God's reality? What language reaches your heart? **We are to communicate as Christians, first we must hear the Spirit of God. We must the Holy Spirit to blow without understanding from where it comes or to where it blows. Like wind across the plain, silent until it flutes past our ears, transparent until it presses against us, your spirit shows itself, O Sustainer. Amen**
